**Our Mission**

The BPCCC Pipe & Drum band is a non-profit organization. We recruit and teach men, women and children of all ages to become proficient in performing pipes and drums. The band is primarily a marching and performance organization, although we have competed in prior years. Instruction is open to anyone in the community at no cost to the individual. Many of our young students have gone on to perform in high schools and universities, some having received scholarships for their achievements. The band promotes Irish culture with an emphasis on performing traditional music. With your support, we hope to continue to keep our organization on course for another successful decade. Thank you, in advance, for your continued support.
